PROFILE

IIT Madras engineering graduate with 4 years leading cross-functional project delivery at Morgan Stanley (via Genpact). Skilled in stakeholder engagement, risk management, and Agile execution, known for turning ambiguous, multi-team requirements into structured plans that ship on time. Proven team leader across professional and extracurricular settings, from a 3-person analyst team to a 15-person institute team. Active in sports and cultural initiatives, bringing collaboration, resilience, and leadership to diverse environments

EXPERIENCE

IT Consultant | Morgan Stanley (via Genpact) | Aug 2022 – Present

- Managed **end-to-end delivery** of 8-11 **vendor onboarding projects** and ~90 annual compliance reviews, driving **~\$170K–\$200K portfolio**
- Directed **cross-functional project teams** through a structured **Agile delivery lifecycle**, coordinating risk, security architecture, privacy and compliance requirements to keep every project **on scope, on schedule, and within acceptable risk tolerance**
- Owned **VP-level stakeholder management**, using **JIRA** to track project status, milestones, and deliverables across a **multi-workstream program**
- Optimized workflows by **streamlining review processes**, reducing lifecycles from **6 to 4 months**, accelerating **integration timelines by 25%**

UI/UX Design (Internship) | Kriyative Education | Apr – Jun 2020

- Defined **project scope** by translating **founder and stakeholder** input into **structured requirements**, before design execution began
- Owned **end-to-end design execution** across wireframes, prototypes, and final UI, delivering a **consistent customer journey** for app and web
- Delivered supporting **brand assets** alongside the core build, aligning **design and product stakeholders** on a single, **unified visual identity**

Business Analyst (Internship) | ADQVest | Feb – Jun 2019

- Led a team of 3, planning **weekly sprints** and **coordinating outreach** to map data requirements across **corporate stakeholders** for the project
- Engaged **senior stakeholders** at SRM Group, Godrej Sara Lee, ITC, and Pidilite through structured **discovery sessions** to **gather requirements**
- Synthesized findings into an **actionable strategic plan**, **briefing leadership** on key opportunities that expanded ADQVest's market coverage

Co-Founder & Product Lead | ReInto | Jan 2019 – Mar 2020

- Co-founded and **led execution** for ReInto, an early-stage lending-and-renting platform, **directing a team** from **concept to market traction**
- Managed the venture through IIT Madras' Nirmaan Cohort pre-incubation program, **delivering all key milestones** within a **one-year timeline**

EDUCATION

Dual Degree in Aerospace Engineering - IIT Madras	CGPA: 7.1 2021
Senior Secondary (XII) - DAV Public School, Lalpania	78.2% 2014

CORE COMPETENCIES & TECHNICAL SKILLS

Leadership & Delivery: Team Leadership · Cross-functional Delivery · Agile/Scrum · Milestone & Backlog Tracking (JIRA)
Risk & Governance: Risk Management · Compliance Coordination · Vendor Management · Process Improvement
Stakeholder & Communication: VP-Level Stakeholder Engagement · Cross-team Communication · Budget & Resource Management (₹7L+)
Data & Automation: SQL · Python · Machine Learning · Power BI · Tableau · n8n / AI Automation
Other Tools: Excel · PowerPoint · Word · Adobe XD · Photoshop · Illustrator · Premiere Pro

PROJECTS

LinkedIn Job Match – n8n AI Agent

- Scoped and delivered a solo end-to-end automation project using n8n, Apify, and the Gemini API to scrape and score LinkedIn job postings
- Applied AI-based relevance scoring to filter top matches into a live Google Sheets tracker for ongoing review

Real-Time Multimodal Voice AI

- Deployed Voice AI on the Vanira orchestration platform, integrating Sarvam AI & GPT-4 for real-time conversational reasoning
- Engineered in-call forms & auto-navigation, achieving sub-600ms conversational latency with zero backend server maintenance

EXTRACURRICULAR LEADERSHIP

Institute Captain – IITM Weightlifting

- Led a **12-member team** to the Overall Sportsfest Championship (2019) while personally earning the Best Lifter Award the same year
- Owned a **₹7L budget** and mentored 20+ freshmen, **launching** the institute's first women's and specially-abled powerlifting **programs from scratch**
- Won gold at inter-hostel weightlifting (2019 & 2020), silver in powerlifting (2018 & 2019), and placed 4th at the Inter-IIT Sports Meet

Content Generation Head – Institute Media Club

- Led a **15-member team** to build a filmmaking culture on campus, **launching a flagship event** that drew 1,500+ participants
- Delivered **10 media initiatives** on **₹30K budgets each**, producing 3 music videos and 2 short films with 25K+ combined views
- Represented IIT Madras at two Inter-IIT Cultural Meets, placing 3rd in filmmaking and 3rd in the Lit-Soc Short Film Contest
